# YOUR 2026 TRASH AND RECYCLING SERVICES GUIDE

## TOWN OF HAMBURG

### WHEN TO PUT YOUR CARTS OUT?

Please place your waste and recycling at the curb by 6:00 AM on your collection day. If your materials are not out when the crew arrives, Pickup **WILL NOT** be available until your next collection day.

### HOW SHOULD YOU FILL YOUR CARTS?

- Use your waste and recycling carts for convenient disposal and follow community guidelines to avoid rejection notices ("Oops" tags), which will indicate why your material was not collected.
- Don't over-pack materials; they may get stuck or fall out when the carts/totes are tipped.
- Keep lids closed to prevent materials from blowing and prevent unwanted rodents.
- Excess materials above the cart height may lead to an "Oops" tag.
- Grass **MUST** be bagged and placed in your **Modern provided trash cart**.
- Place recyclables **LOOSE** in the cart-no bags needed, except for shredded paper in a **CLEAR** plastic bag. **THIS IS THE ONLY EXCEPTION.**

### WHAT ARE BULK ITEMS?

Bulk items consist of refuse that is either too large or too heavy (exceeds 60 lbs.) to fit into a 95-gallon tote, but can be managed by two workers. This includes household furniture, bedding, mattresses, hot water tanks, carpet, "white goods" such as refrigerators, freezers, microwaves, dishwashers, stoves, and other large metal residential appliances. This **DOES NOT** include air conditioners, electronics, or household hazardous waste.

## FREQUENTLY ASKED QUESTIONS

### Can I use a cart I brought from my old home, or purchased at a hardware store?

Beginning March 23, 2026, Modern will collect ONLY Modern carts. All other containers placed out for collection will not be emptied.

### How can I manage home clean-outs?

If you are doing a renovation or clean-out, please contact Modern or a local private hauler to purchase a dumpster, or make arrangements with a debris removal company.

### When is my Scheduled Bulk Collection?

Bulk items require a special truck due to the item sizes. Bulk items will be collected every other month, during the second full week of the month, on your collection day. Four (4) items per collection.

### Why was the lid bent on my cart when it arrived?

During transportation and in cold weather the lids slightly warp. Keep the cart in sun for a few hours and it will mold back to its proper shape.

## CART POSITION:

Place your waste and recycling carts/totes on a level surface at the street's edge with the **wheels and handle facing the house.** Please keep **3 feet of space** between each of your carts/totes as well as other fixed objects, such as mailboxes.
